SKIING WITH MADI

Skiing is what you do when it is snowing on the mountain. You go down the mountain wearing skis on your feet. I learned how to ski a long time ago. I rode on the magic carpet to get to the top of the mountain. To go down the mountain you stand with your feet straight in french fry position. I asked for help because I was afraid to fall down. I used something sticky on my skis to make pizza position to help slow down. French fry position makes you go fast and pizza position makes you slow down and stop. My mom and my dad take me skiing. My little sister McKenna stays at Nana and Papa's house when we go skiing. I like to ski because I like to go fast sometimes. I hope I get to go skiing next time it snows on the mountain. I think that will happen soon.

WHY BACK PACK IS SO FUN

The Back Pack is so fun!
Here is why:

1. They have so many pods with so many toys. There is also a mysterious pod that I don't know about! I'm pretty sure it is Pod 11.

2. Each year the counselors buy some new toys for us. Pod 6 has this new ocean winter flower garden. I really like it! That is why Pod 6 is my favorite pod right now.

3. The Game Room has Nintendo Switches that my friends like to play on. There is even my favorite Kirby game!

The Back Pack is fun thanks to all the counselors we have here. When you see Ms. Julie or Ms. Amanda give them a big "THANK YOU". It is all because of them that Back Pack is so fun!

THE INDOOR PLAYGROUND

The Indoor Playground is fun! It is so fun to play in the Indoor Playground. My favorite thing to do is jump in the Jump Zone. My second favorite thing to do is to climb on the rock wall. It also has a purple slide that comes from upstairs, a orange slide, and a ball pit. The Indoor Playground is my favorite place at Back Pack.

CEREAL DRIVE UPDATE

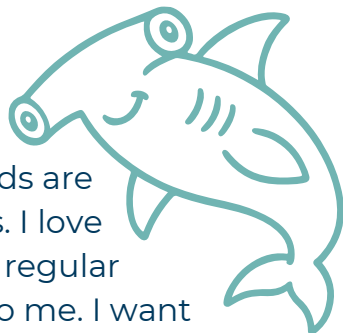

In December of 2025, Back Pack had a cereal drive. We had a goal to get 300 boxes. **We collected 281 boxes.** This cereal drive we set it up like a Christmas tree. Last cereal drive we did dominoes. Did I forget to mention last time we collected over 800 boxes? So I thought hitting 300 would be easy. The cereal boxes go to Lorton Community Action Center (LCAC). It is a place that contains things that they give to the less fortunate. Did you donate a cereal box?

SHARKS

Megalodons, Great Whites, and Hammerheads are all types of sharks. I love sharks! Just plain regular sharks amazing to me. I want to learn more about sharks. The Megalodon shark is my favorite shark because it is huge and massive. I also like monster trucks a lot. My favorite monster truck is the Megalodon truck!

ALL ABOUT HUMMING BIRDS

My family and I love humming birds. Humming birds are the smallest bird in the world. We only get one type of humming bird in our area. It is called a *ruby-throated humming bird*. They can flap their wings up to 50 times per second. My mom spends most of the summer training the humming birds in our yard to feed from her hand. Once they are comfortable doing that we get to feed them.

- Baking soda
- Slime sprinkles
- Saline solution

Set Up

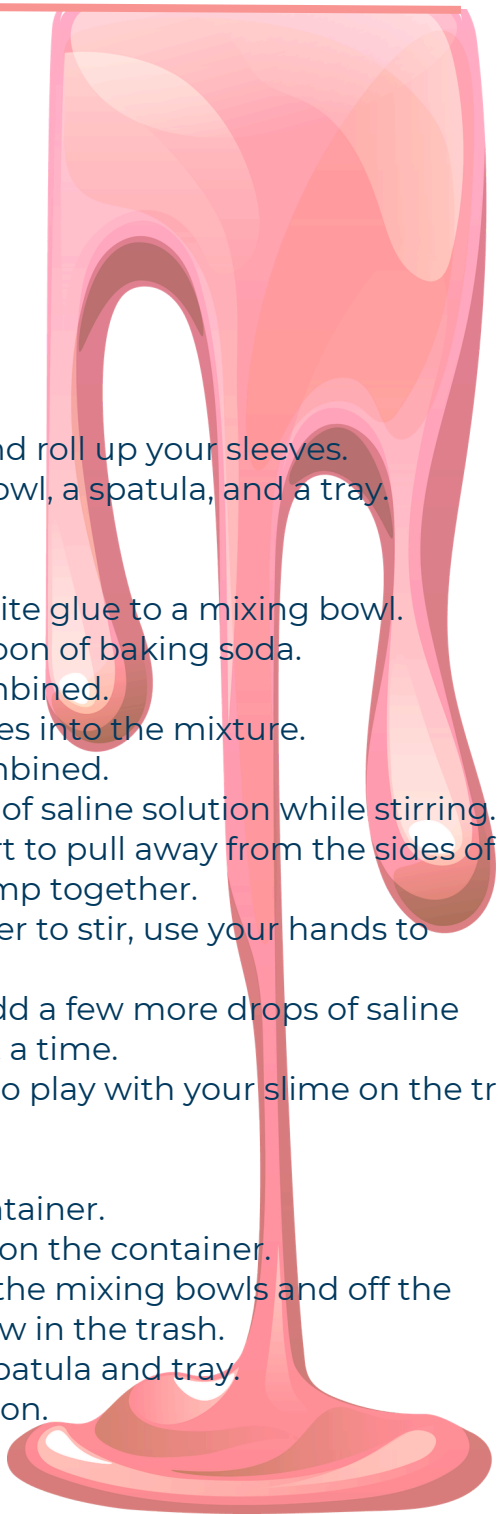

- Wear an apron and roll up your sleeves.
- You will need a bowl, a spatula, and a tray.

Directions

- Add 1/2 cup of white glue to a mixing bowl.
- Mix in 1/2 tablespoon of baking soda. Stir until fully combined.
- Add slime sprinkles into the mixture. Stir until fully combined.
