SEALS

Seals are very fat and cute. You might wonder, how do seals get so fat? Well, when seals are baby pups, their mother fattens them up. How do they get so cute? I don't know! But I do know that my favorite type of seal is the Harp Seal, the baby Harp Seals to be exact. They look like small fluffy white snowballs! Overall, I think seals are the cutest animals ever!

GLAM LAB

I like Glam Lab a lot because it is really fun to make good things for your body. We made lip gloss, mirrors with flowers, a thing for the shower, and a sugar scrub that will take all of the dead skin off your body!

ALL STARS

Football was hard to play. I don't know how to play it yet. We played hockey with big ol hockey sticks and a hard ball that is kind of like a tennis ball. Soccer is my favorite sport to play. I can do a back kick!

CLAY CREATORS

Every week we got to do new creations. We made magnets, keychains, and had a free choice. We looked up inspiration for our projects and we got to paint them. I liked the frog I made, it was cute. Ms. Reagan made it really fun.

MISSION POSSIBLE

We did missions each time...like complete a puzzle before the timer runs out. Holding hands to untangle them. We did a stacking challenge with boxes. Another stacking challenge with cups. Basically, we won some missions and still lost some.

NINJA WARRIORS

It is fun! We played Ribbon Ninja - when you have a bracelet with a flag on it and you try to rip it off the other players to win. We also karate chopped pieces of paper in half. We got to wear ninja bands, too.

OUR CRAZY HOUSE

AN INTERVIEW WITH CHARLEE, GRAHAM, AND RYAN L.

Who lives in your house?

Charlee: The 3 of us kids, mom, dad, 2 dogs, and 3 snakes if we count the one that passed away.

Where do all of the pets sleep?

Charlee: The dogs sleep in their crates downstairs. 1 snake sleeps in my room and 1 snake sleeps in Graham's room.

What is a regular day like in your house?

Charlee: A day in our house is so crazy. Me and Graham both have soccer in different places while my sister has dance and gymnastics far away. Graham also has baseball.

Do you think your house is crazy?

Graham: The dogs are definitely crazy because they are only 7-months-old Aussie Doodles!
Ryan: Trying to walk the dogs together is super crazy because we go on a nature trail and they are usually barking at the squirrels and sometimes barking at other dogs.

Is it difficult to get everyone ready to go in the mornings?

Ryan: No! All I have to do is get ready.

Graham: Yes! The dogs are running around and in the way. Charlee is rushing to get ready. I walk the dogs after I have gotten ready.

JELLY BEAN TASTE TEST RESULTS

During the month of March we went on a sweet mission to find the best type of jelly bean for each color! We taste-tested jelly beans from: Starburst, Sour Patch, Nerds, Sweetarts, and Jolly Rancher.

After lots of tasting, here are the winners:

Every bag had at least one standout color. The Nerd jelly beans were the big winner, taking the top spot with purple, yellow, and red! Some flavors really surprised us, and not everyone agreed on every choice. Some colors were super close, and it took a lot of votes to decide the winners. Do you remember which jelly bean was your favorite?
