**BEING A BIG SISTER**

When you have a baby sister (or maybe also a baby brother) you love them with all your heart. My mom had a baby girl a little bit ago. I think she was an October

baby. Her name is Evelyn. I call her Eeve. She is a sweet little angel. Sometimes I help my mom and give Eeve a binky when she is crying and I will cuddle up with her to make her feel good. I miss her

when I am at school. I am excited for Eeve to get older and bigger for me to play with her more. I think my mom saved some of my old clothes, like my fancy dresses, for my sister to wear when she is big enough to fit in them. That will be nice to share things with her.

**SNOWY WINTER HOLIDAYS**

**Groundhog Day:** I don't really like anything about Groundhog Day. I guess sometimes I like to watch shows about groundhogs and shadows. Valentine's Day is better than Groundhog Day.

**Valentine's Day:** I like it the most because you give love to your family and to your friends. You can give them hearts - any kind of hearts, medium, big, or even small hearts to show them love. Valentine's Day is the very best day ever!

**Saint Patrick's Day:** I don't know a lot about Saint Patrick's Day but I really really love that is mostly about my favorite color, green! I still think Valentine's Day is the best wintery holiday though.

## OLYMPIC SKI EVENTS

INSPIRED BY HIGHLIGHTS KIDS

The 2026 winter Olympics are February 6th - 22nd in Italy. There are many different types of ski events in the Olympics.

*Ski events that are no longer featured in the Olympics:*

**Ski Ballet** was like figure skating on snow. Using ski poles, competitors twirled, jumped, and danced on the ski slope.

**Skijouring** was a demonstration sport. Skiers were pulled behind horses on a frozen lake.

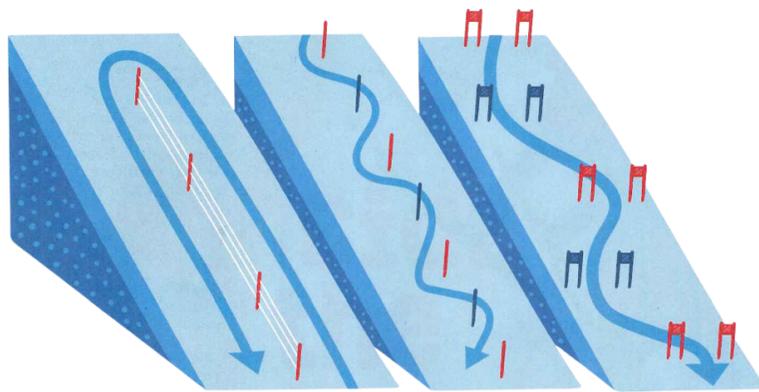

*Ski events that will be featured in the 2026 Winter Olympics:*

**Skimo** (or Ski Mountaineering) is a new Olympic sport. It includes different types of races. One of the races is sprinting up a steep hill on skis and then skiing back down the mountain as fast as possible.

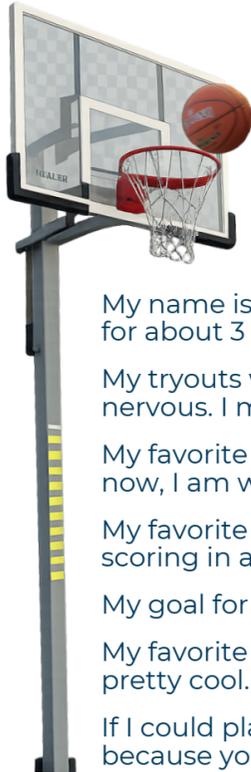

**Ski Slalom** skiers make quick turns to pass through poles called gates.

**Ski Super G** is a combination of of down hill racing and Ski Slalom.

**Ski Jumping** is one of the most thrilling ski events; competitors jump off a ramp at high speed and glide through the air.

## BASKETBALL SEASON

My name is Artie and I have been playing basketball for about 3 weeks.

My tryouts were good but we had to run a lot. I wasn't nervous. I made the team! My team has some very skilled players.

My favorite thing to do at practice is to have a scrimmage. Right now, I am working on dribbling through my legs.

My favorite thing about games is winning them. I look forward to scoring in a game. When I play basketball I feel amazing, no, energetic!

My goal for this basketball season is to win every game.

My favorite professional basketball player is LeBron James. I think he is pretty cool.

If I could play basketball anywhere in the world, I would play in the pool because you get to swim at the same time!

Basketball is very fun and it is easy to learn. If you want to try it sometime, you might like it too.

My job is to clean up any water bottle spills. I live right under the water cooler, so I'm always nearby! Thanks for giving me a name.

## WHAT IS THIS THING?

AN ANTIQUE PRESENTED BY MS. JULIE

*Graham H. Kinder:* We could connect this stuff and make like a steering wheel. We could spin this and it will go around and around.

*Eddie A. 1st Grade:* I haven't seen one of these in my whole entire life. Is this a stirrer for something or what?

*Brooks K. Kinder:* It just goes around in circles. I think it is kinda broken because of the screws.

*Joel B. 5th Grade:* Is it a well? Wait, let me see. It's not a well. There is a bucket and this is a gear thing. This looks like a car thing...WAIT! They connect [he successfully puts pieces back together]. I'm good at being a detective.
